Dear Senator Wahls:

You contacted the Iowa Attorney General's Office regarding the power of cities or counties to pass local regulations requiring patrons of business to wear masks. A similar question was answered by this office in a question from city officials in March of this year regarding the power of local officials to issue shelter in place orders. I have attached a copy of that analysis to this correspondence for your review.

In this previous analysis, we determined that while the Statewide Disaster Emergency Proclamations are in place, the Governor retains the power to delegate, sub-delegate, or retain the administrative authority under Iowa Code Chapter 28C (Emergency Management) to issue directives of this nature. *Please see* Iowa Code Section 28C.6(8) (enclosed). Iowa Code Section 135.144(3) and (9) (enclosed) empowers the Iowa Department of Public Health, in conjunction with the Governor, to take reasonable measures as necessary to prevent the transmission of infectious disease, to inform the public when a public health disaster has been declared or terminated, and to inform the public of the protective measures to take during the disaster.

The Governor has addressed usage of personal protective equipment (PPE) in prior proclamations, including the proclamations of 5/25/2020 and 6/10/2020, which are still applicable and which provide that in re-opening of public use facilities and businesses that proprietors must adhere to hygiene practices and public health measures consistent with guidance issued by the Iowa Department of Public Health. Any local action or regulation would need to be consistent and compliant with the Governor's Proclamations and the Iowa Department of Public Health Directives in scope and remedies while the Governor's Emergency Proclamations are in place.

Finally, local regulation of this nature, if not preempted under the current Emergency Disaster Proclamations, would likely be under the jurisdiction of local boards of health under their power under Iowa Code Section 137.104(1)(b) (enclosed) to, "make and enforce such reasonable rules and regulations, not inconsistent with law and the rules of the state board, as may be necessary for the protection and improvement of the public health."

The Honorable Zach Wahls
State Senator

I hope you find this helpful in answering this question. Please be advised this contains the results of my research and analysis on your question but is not an official opinion of the Iowa Attorney General's Office.
